How can people request Elderly and Disabled Adult Waiver Services?

The Department keeps an Elderly and Disabled Adult (EDA) Waiver Request for Services Registry (RFSR) (formerly known as the "waiting list") of people who have asked for these services, along with the date of the request. Individuals are offered the EDA Waiver according to the needs-based priority groups. The following groups shall have priority for EDA Waiver opportunities, in the order listed: (1) individuals with substantiated cases of abuse or neglect with Adult Protective Services (APS) or Elderly Protective Services (EPS) who, absent EDA Waiver services, would require institutional placement to prevent further abuse and neglect; (2) individuals presently residing in nursing facilities; and (3) individuals who are not presently receiving home-and-community based services (HCBS) under another approved state program, including, but not limited to, the Adult Day Health Care (ADHC) Waiver, New Opportunities Waiver (NOW), Community Supports Waiver, Program of All-Inclusive Care for the Elderly (PACE), and Long Term-Personal Care Services (LT-PCS); and (4) all other eligible individuals on the RFSR, by date of first request for services. Solely for purposes of priority category (3) above, state-funded OCDD services shall not be considered another HCBS program.

For the 150 EDA slots reserved for persons diagnosed with Amyotrophic Lateral Sclerosis (ALS), qualifying individuals are offered by date of first request of services.
